33) submitted for perusal. Before the question as to the reservation of ~~the plot~~ area for a playground is decided, it is perhaps necessary to get further information in the light of the report now received as regards the grant of land to the extent of 11 guntas and 91 sq yds to Sri. B. J. Acharya in exchange of his site to the extent of 1 acre 22 guntas taken over for a playground. About 5 acres + odd of land belonging to Sri Acharya (most of it is agricultural land) is being proposed to be left out to him. There is another file on this subject. The question of allotting other land elsewhere as now reported

In order that this may be pointed to the chairman and further information called for as to where he would be granted land in exchange, as reported now & why this concession is being shown to him. 2. 11 guntas 91 sq yds — Land proposed to be taken from Sri B. G. Acharya by adjustment of boundary of his land by giving equal extent of land at other place.

41) It is stated that the piece of land applied for by the Vidyalaya is the only general play ground for the locality. If so, it would not be fair to deny the use of this land by children of the locality by granting it solely for the use of the Vidyalaya.

42) Some portion of the land is still in private holding. It would not be proper for Govt. to make over the land to a private Institution without formally acquiring that piece.

43) It is stated that the land may have to be improved at a cost of Rs 5000/- before it could be used as Play-ground. The cost of the land exclusive of the area coming within the Contours of Thalbagh tank is about Rs 3000/-. If the latter area is also taken into account the cost works out to Rs 7000/- Even if it is decided to grant the land to the Vidyalaya they will have to pay the Cost thereof. But the Institution requests for its free grant

44) Are there any objections for the ground being used for by the Children of the locality including those of Rashtriya Vidyalaya. These points may be examined further in Consultation with the Trust Board, Bangalore.

48) It is perhaps desirable to treat the area as a public playground for the benefit of the children of the Jayanagar area instead of handing over the area to the Institution, having regard to the fact that there is no such a big open area in Blocks I & II of the Jayanagar extension for being used as a children playground. Sri Mas

I request you to permit me to place this appeal of mine before you for your kind disposal at a very early date.

I am sure it is not quite necessary to repeat that Rashtreeya Vidyalaya is a Public Educational Institution run by a Private Institution run by a Private Management and that it is growing both liberally and figuratively, and as it goes on developing, the needs of the Institution also multiply. Therefore, I am addressing you now with an object of requesting you to grant a suitable play-ground for the benefit of the inmates of this Institution.

L.S.Sig. Secy

Is there an open field at the spot A - roused it be spared for the school. H.C.D 16.5.51

It has already come to your kind notice that the building has, with much difficulty, come up nicely and it can now accommodate 1000 students easily. In spite of good equipment and other necessary requisites the Institution is still wanting in something, and it is indeed a play-ground, which is an indispensable requisite for any Educational Institution, and it is a most crying need of this School without which it remains incomplete.

I have addressed the Chairman, City Improvement Trust Board also in the matter, in this Office No.....and I am sure he will view the matter favourably.

I request you to consider the matter with kindness and evince your personal interest in providing a suitable play-ground for this Public Institution.

Dr Mu 1715 A

I suggest, in this connection, if I may, that the field just on the right side of the road near Kanakana Palya, leading to Rajaji Circle, may kindly be allotted for us.

I shall thank you very sincerely for your condescension in the matter

Dear Sri Dasappa,

I feel happy to learn that you have been sympathetic enough to suggest in respect of assigning playgrounds to Rashtreeya Vidyalaya. But till this moment I have not heard anything in the matter from the Trust Board. Therefore I request you to let me know kindly as to in what stage the matter stands. A playground is the crying need of this Institution.

I request you once again kindly to give a favourable fillip to the matter and oblige.

I am very eagerly looking forward for a favourable reply from you.

Subject:- A play-ground to Rashtreeya Vidyalaya, Visveswarapuram, Bangalore 2, near Rajaji Circle.

With reference to your letter No.2043 dated 4th June 1951 forwarding for report a copy of No.RS.4/50-51 dated 14th May 1951 received from the Secretary, Rashtreeya Shikshana Samithi, requesting to allot the field just on the right side of the road near Kanakanapalya, leading to Rajaji Circle, I write to state that after protracted correspondence with the Secretary, Rashtreeya Vidyalaya, as to their willingness to take up an extent of $\frac{92'+124'}{2} \times 336'$ for a play-ground in the said area, the Secretary replied in his letter No.RS.188/51-52 dated 14-11-51 agreeing to take up the said extent but - - requested to make fit for a play-ground.

The spot was inspected by the Members of the Board on 4-7-52.

The Engineer Officer from whom a report was called for, as to the cost of making the area fit for a playground, has submitted an estimate for Rs.4,900/-.

Thereupon the subject was placed before the Board for its consideration on 25th July 1952 when it was resolved:-

To:

The Hon'ble Sri. T. Channaiah, B.Sc.,
Minister for Local Self Government,
Government of Mysore,
Bangalore.

Sir,

Subject: Sanction of a PLAY-GROUND for the Rashtreeya Vidyalaya, Visweswarapuram, Bangalore.

Rashtreeya Vidyalaya run by the above Samithi is one of the progressive Private Educational Institution in the City of Bangalore. Started some thirteen years ago, it has been ever since carrying on the noble work of imparting education to the children between the ages of three and seventeen. Thus it has assisted the Government in their primary responsibility of educating the future citizens of the State. It has earned the appreciation of the Public as well as that of the Government.

The Samithi is greatly indebted to the Corporation of Bangalore for the grant of a free site opposite the Western Gate of Lalbagh, and to the Government for the sanction of a generous building grant. The Samithi owe a deep debt of gratitude to the Philonthropic gentlemen who have donated large sums amounting to nearly three lakhs to the Institution without which this huge educational enterprise would never have been successful. At present, nearly a thousand children are studying in the four grades of the Institution, Viz. the Nursery, Primary, Middle and ~~the~~ High Schools.

There is hardly need for the Samithi to stress the importance of physical education to the growing children. This is an essential part of education and we regret to state that our Institution is unable to do full justice to the

P.T.O.

children in this behalf for want of proper play-ground.

Since long, we have been striving to obtain a suitable place, near the School premises, and have been appealing to the City Improvement Trust Board for the sanction of a site for a play-ground. The Board was at last pleased to give us, on lease basis for ten years, a site measuring about $\frac{92' \times 124'}{2}$ x 336' - situated at the entrance of Jayanagar. The said site is in a low level and is full of pits. It would cost the Samithi about Rs. 4,000/- to Rs. 5,000/- to level it up for the purpose of using it as a play-ground. The Managing Committee of the Samithi under the circumstances requested the City Improvement Trust Board to make a free grant of the land as the Samithi had to incur a heavy expenditure to make the land fit to be used as a play-ground. In reply to this reasonable request of the Samithi the City Improvement Trust Board has gone back even on its original offer of the said land, on lease for ten years and has totally rejected to grant any site for the Samithi for the use of its thousand and odd children.

Therefore, we are constrained to approach you with a request that you may be kind enough to sanction us a suitable site for a play-ground and help the Samithi to carry on its noble work.

Thanking you,

We remain, Sir,
Yours faithfully,

With reference to your letter No.L.17830/ITB.52-52-21, dated 19th January 1953 and subsequent reminder, I write to state that the area of the play-ground proposed to be leased to Rashtreeya Vidyalaya is 405'x 207' or 1 acre and 37 guntas. This comprises:-

1) Part of S.No.22, acquired from Sri Anjaneyaswamy temple about 23 guntas 97 sq.yds.
2) Land proposed to be taken from Sri B.G. Acharya by adjustment of boundary of his land by giving equal extent of land at other places 11 guntas and 91 sq.yds
3) The rest of the land 1 acre 1 gunta and 54 sq. yds. is government waste land being Lalbagh tank bed.

The cost of these two areas (1 & 2) about 35 guntas & 67sq.yds. @ Rs.3600/- per acre, amounts to about Rs.2850/- The compensation awarded to Sri Anjaneya temple authorities is at the rate of Rs.3600/- per acre and this has been taken as the rate for the calucalation of the value of this land.

The play-ground is the only general play-ground for that locality and cannot be granted solely for the use of Rashtreeya Vidyalaya alone.

The whole area is low level and is not fit for laying out with sites. A clear sketch plan showing the areas is herewith enclosed and a copy of the Endorsement dated 7-8-1953, issued to ~~Srx~~ the Secretary, Rashtreeya Vidyalaya, is enclosed for your information

itself for the use of the Vidyalaya.

Some portions of the land is still in

for govt to make over the lands to a

It is stated that the lands may have to be

coming within the circle of Lalbagh tank is
about Rs 3000/- if the latter area is also taken into

Subject:- Grant of Play-ground to Rashtreeya Vidyalaya in the Jayanagar Extension.

With reference to correspondence resting with your letter No.L.14952/I.T.B.5-52-387 dated 12-2-54 I write to state that the Secretary, Rashtreeya ~~Vidy~~ Sikshana Samithi has reported in his letter dated 22nd February 1954 (copy enclosed) that the Samithi is a registered body under the Mysore Societies Act No. III of 1904 and V of 1939. He has further stated that the Samithi has no objection for allowing the students of the area to make use of this land as a Play-ground but he feels doubt whether such a course is congenial in the interest of ~~how many~~ harmony!

As regards para 3 of your letter under reference the land in question comprises of 3 bits viz., (1) Government land-- a portion of Lalbagh Tank bed (2) Trust Board land acquired from Anjaneyaswamy Temple and (3) B.G.Acharya's land. Regarding (3) a reference has already been made in this Office letter No.A2.P.R 119/53-54 dated 3-12-53 as the Party is agreeable to adjust this land suitably and orders of Government are awaited in the matter.

Letter No.521/53-54 dated 22nd February 1954 from the Secretary, Rashtreeya Sikshana Samithi, Rashtreeya Vidyalaya, Bangalore 4 to the Chairman, City Improvement Trust Board, Bangalore.

Subject:- Play-ground to Rashtreeya Vidyalaya.

Ref:- Your Office No 862 dated 18-2-1954.

While thanking you for your kind enquiry in your letter referred to above, I desire to state as follows:-

1. We find it hard to understand as to how all students of the locality can play on the same ground at the same time, without quarrelling among themselves If at all you should believe that there can be no any trouble that way, we shall have no objection to it. But even then, I find it necessary to say one or two points in this connection:-

(i) There are 1000 students studying in all four Grades in this School, namely High School, Middle School, Primary School and Nursery School. From my own experience, I can say that it is not possible for all 1000 students of the same School to play at a time on the same ground. Such being the case, how can the students from several schools play on the same ground? It is likely some mischievous students create troubles.

(ii) When it becomes a common ground whose responsibility shall it be to maintain the ground, in good condition?

It is but natural that several other problems will come up afterwards. You may kindly consider all these aspects and you have a right to do as you deem fit. After all, we have shouldered the responsibility of educating

P.T.O.

boys and girls of our country. This is the responsibility that should be borne equally by such others as Government, Public, City Improvement Trust Board and so on. Let me make it clear also that we have no any personal interest in asking for the aforesaid play-ground.

2. In all our previous correspondence, we have stated that the School is run by a Registered body etc. Again we mention here for your kind information that the School is a public Institution, recognised by the Department of Public Instruction in Mysore, Bangalore and that it is run by the Management, Rashtreeya Sikshana Samithi, registered in 1943, under the Mysore Societies Act No.III of 1904 and V of 1939 No.S.378 dated 16-4-42.
